

Foxwarren Working Jack Russells

10th May 2017

Dear Dilwyn

This letter confirms that I give you full permission to act, on my behalf, in the best interests of the Foxwarren Working Jack Russells bloodline.

I have had the honour of being the caretaker of these wonderful terriers for over 50 years. It is now time for me to pass on that responsibility and privilege to you. I am confident that you will work tirelessly to secure the future of my life's work. Please do your very best to ensure that these wonderful dogs are around for many more generations to enjoy.

Keep working them, never introduce any foreign blood and always be guided by my teachings.

Yours sincerely

Edward Walter Chapman
